Flyin News

It's been a long time since I got a Newsletter out so there's a lot of news.

The June flyin to Santa Rosa flyin became a Petaluma flyin after we arrived and discovered that the proposed restaurant was closed because of the death of the owner. Nonetheless, 9 Navioneers and 4 Navions dodged so-so weather and Penny-A-Pound ride day traffic at Petaluma for lunch at the 29'r Diner.

We had a wonderful turn out for our July flyin. The fog at Watsonville burned off just in time and stayed west of the airport. It was one of those 100+ days in many parts of Golden Gate country. Watsonville was in the high 60's. 14 Navioneers and 6 Navions were in attendance.

The August flyin was to Livermore. 5 Navions and 10 Navioneers made the trip and had a nice lunch amidst the 10 or so big screen TV's. Bay Area folks had to dodge a low overcast right up to the scheduled arrival time in Livermore.

By far, my nomination for the best flyin of the year (so far) is the joint Golden Gate/Northwest Navioneer flyin to Gold Beach, OR. Debbie Vierhus was the driving force behind this great flyin. Honorable mention to Steve who came up with the idea then abandoned the task to Debbie. Thanks you two!

We had 30 Navioneers and 10 Navions for this weekend event from Arizona, California, Idaho, Nevada, Oregon, Washington and Canada! Lots of good food and a Jet boat ride up the Rogue River.
