### **WARRANTY**

The Ryan Aeronautical Co. (hereinafter called Ryan) warrants only new Navion Airplanes and new Navion parts manufactured by it and new Navion parts manufactured by North American Aviation, Inc., which are sold by Ryan, to be free from defects of material and workmanship under normal use and service. The obligation of Ryan under this Warranty is limited to making good at the Ryan factory any part or parts which shall, within ninety (90) days after delivery of such aircraft or part at the Ryan factory, or prior to the time when such airplane or part has been operated fifty (50) hours, whichever event shall first occur, be returned to Ryan with transportation charges prepaid and which Ryan's examination shall disclose to Ryan's satisfaction to have been thus defective.

This Warranty shall not apply to any aircraft or part which has been repaired or altered outside of the Ryan factory in any way so as, in the judgement of Ryan, to have been the cause of such defect or failure nor which has been subject to misuse, negligence, improper maintenance or accident, nor to any airplane or part which shall have been operated contrary to Ryan's Instruction Manual or in violation of any applicable governmental law, rule or regulation.

Ryan is responsible for no warranty on parts or accessories not manufactured by Ryan inasmuch as they are usually warranted separately by their respective manufacturers.

This Warranty is accepted by the customer in lieu of all other warranties or liabilities on the part of Ryan, express or implied, and no distributor, dealer, or other person is authorized to assume for Ryan any other liability.
